Stretch multi-pocket denim Bermuda shorts

Fabric

Denim stretch
98% cotton
2% elastane
380 g/m²

Cotton: Its high cotton content provides natural softness, pleasant to the touch, and excellent breathability, promoting thermal comfort even during prolonged wear.

Elastane: Adds just the right amount of elasticity, allowing freedom of movement and a comfortable fit that neither restricts nor squeezes.
Thanks to its lightness and flexible structure, this denim fabric is ideal for garments that require a balance between professional appearance and comfort.

Fabric developed by Velilla Group

FABRIC STRETCH® Cotton
Smart fabric for comfort

Comfort and flexibility thanks to its elastane elasticity, an elastic fiber that helps stretch and recover the garment's shape, providing greater durability.

Washing instructions

Max temp. 30ºC
Wash with the garment inside out
Do not bleach
Iron max.150ºC
Do not dry clean
Do not use the dryer

Recommended printing techniques

Embroidery

Transfer

Screen printing

Pilling Values

4-5

Pilling: measures the fabric's resistance to abrasion on a scale from 1 to 5. The higher the value, the greater the resistance.
