## Fabric

### Denim stretch.

98% cotton  
2% elastane  
178 gsm

This chef's jacket is made of 98% cotton and 2% elastane, offering an excellent combination of comfort, elasticity, and durability.

- Cotton (98%): Its high cotton content provides natural softness, pleasant against the skin, and excellent breathability, promoting thermal comfort even during extended use.
- Elastane (2%): Adds just the right amount of stretch, allowing freedom of movement and a comfortable fit that doesn't restrict or compress.

Fabric developed by Velilla Group

Stretch cotton fabric: Comfort and flexibility thanks to its elastane elasticity, a stretch fiber that helps the garment stretch and recover its shape, providing greater durability. With its cotton composition, the garment offers enhanced breathability, softness, and hypoallergenic properties.

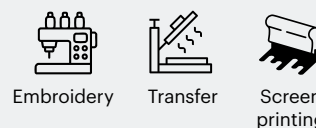

### Washing instructions

Max temp. 30°C  
Do not bleach  
Iron max. 110°C  
Do not tumble dry  
Do not use the dryer
